

# CAMP TABLE ROCK

## Hello students!

I cannot believe camp is almost here! Before it gets here, there are some important things I need to tell you.

1. We want you to know, at CTR we pray all year long that you will experience God in an awesome way this summer! We want to encourage you to start asking God now to prepare your heart to experience Him. Ask your friends and family to be praying with you for this summer. We believe that God has an amazing, life-changing experience in store for you at CTR. **Prayer is one of God's most powerful tools!** Why wouldn't we talk to our Creator about what He wants for our lives?!
2. **IMPORTANT!** You and your parents need to download the **2012 information packet**. This is at [www.camptablerock.com](http://www.camptablerock.com). Click on the Camps 2012 tab and select your camp.
3. In order for your application to CTR to be complete, we need all your forms and payments. You must send in your **application, medical release form, activities permission form**, and signed **camper contract**, plus camp payment in full. All these forms are in your 2012 information packet.
4. We still have space available for camp this summer! If you have friends who want to attend make sure they know it's never too late! Give me a call if you have any last minute friends that want to join.
5. Something we highly recommend before camp is a **two week media fast**. We challenge you to fast from secular music, movies, video games, internet, etc., for the two weeks before camp. This is an important part of preparing yourself to experience God while at camp. I realize we often wonder how we could pull ourselves away from the media. I want to encourage you to step out in faith and pray that God will reveal Himself to you! Whenever you would normally watch TV or play video games, you could read your bible, talk with God, or spend time with your family. The media fast challenge sheet is in the 2012 info packet. **Everyone who completes the media fast is entered into a drawing to win \$100 at the end of your camp week!** Do not forget to have your parent or pastor sign your form, verifying you completed the challenge.
6. We give away **awesome prizes** at CTR! To be eligible for these prizes you need to memorize the Scriptures listed on your CTR media fast challenge sheet in your info packet. While at camp, you cannot even get onto the dock for swimming or boating unless you quote one of these Scriptures. The Bible is God's living, breathing, message to us for every area of our lives! Plant His Word in your heart!
7. Along with snacks, candy, pop, and ice cream, we have **cool CTR items available** to buy at the Snak Shak; like t-shirts, hoodies, tanks, CTR stickers, water bottles, and more! We also put together video and pictures of your camp week for you to buy before you go home! Save your allowance!
8. We want to make sure you share your talents! During **The CTR Show 2012** you have the opportunity to share your capability to rock the talents God has given you; anything from singing or performing a skit to sharing one of your special talents! If you want to perform, please bring your props or instruments with you. You have to sign up at the beginning of the week. We ask that the songs in, or accompanying, your performances are by only Christian artists.
9. Please be sure to bring your family medical insurance information (if applicable). We would need the name of the company, policyholder's name, policy number, and a company phone number. We provide secondary medical insurance only so you need to have your family medical insurance information with you.

That's all I have for now. We love you guys! Keep praying and preparing for one of the most incredible weeks of your life! If you have questions, please give Pastor Rick or me a call, or shoot us an e-mail. We cannot wait to see you!

In Him alone,

*Jessica*
