Greetings Youth Pastors!

We are so thrilled to partner with you in 2022 for teen camp! Camp is often one of the most powerful and life-changing experiences in the life of a teenager! Thank you for investing in them!

Your 2022 camp promotional video is located on our website. You can view the video from our site. Simply go to www.camptablerock.com, go under the **Camps & Events** tab, and select your camp event. If you have questions about how to access your video, please do not hesitate to contact us - Camp phone 417-858-9222, ashlynn.ctr@gmail.com or rick@camptablerock.com.

Camp registration instructions are the same as last year! Everything is online. If you are registering your GROUP, please register everyone under the "Group" button. Make sure everyone fills out the "Individual" button. This is REQUIRED. This is located right above your promotional video, as outlined above, at www.camptablerock.com.

Please hear my heart! I want more than anything for God to use the CTR experience to bring REVIVAL to your church! One of the greatest opportunities to bring revival is our media challenge. We highly encourage all students and leaders who attend CTR to do a two week media fast prior to your camp week. This means no TV, movies, video games, secular music, social media, and websites (including YouTube!). During the fast we encourage students and leaders to memorize scripture, spend time in God's Word and in prayer, and do things that build the kingdom of God.

Students who participate in the media challenge will be entered in a daily cash prize drawing at camp! Also, any student who completes the media challenge will earn 200 points for their Blitz group in the Ultimate BLITZ!

I believe if your entire church family participated in the media challenge with your students, and sincerely prayed for camp and for God to bring revival, that is exactly what would happen!

Please put the enclosed poster in a prominent place in your church and encourage your students and church family to participate in the media challenge for the two weeks prior to your camp. You will not be sorry that you did! Let's trust the Lord and see what He will do!

Thank you for your investment in our youth! If you have questions, or need help promoting or preparing for camp, please contact us. We are here to help in any way that we can!

In Christ,

Rick Pearson
