A Letter From Rick Pearson

GREETINGS YOUTH
PASTORS/LEADERS

We are so thrilled to partner with you in 2024 for teen camp! Camp is often one of the most powerful and life-changing experiences in the life of a teenager. Thank you for investing in them!

Please hear my heart! I want more than anything for God to use the CTR experience to bring REVIVAL to your church! One of the greatest opportunities to bring revival is our media challenge.

We highly encourage all students and leaders who attend CTR to do a two week media fast prior to your camp week. This means no TV, movies, video games, secular music, social media, and websites (including YouTube!). During the fast we encourage students and leaders to memorize scripture, spend time in God's Word and in prayer, and do things that build the kingdom of God.

Students who participate in the media challenge will be entered in a daily cash prize drawing at camp! Also, any student who completes the media challenge will earn 200 points for their Blitz group in the Ultimate BLITZ!

I believe if your entire church family participated in the media challenge with your students,

and sincerely prayed for camp and for God to bring revival, that is exactly what would happen!

Please put the enclosed poster in a prominent place in your church and encourage your students and church family to participate in the media challenge for the two weeks prior to your camp. You will not be sorry that you did! Let's trust the Lord and see what He will do!

Thank you for your investment in our youth! If you have questions, or need help promoting or preparing for camp, please contact us. We are here to help in any way that we can!

In Christ,
Rick Pearson | Founder and President

Promoting Summer Camp

ASHLYNN MILLER

My dearest brothers and sisters in Christ, I am so excited to be preparing for the camp season once again and hope to be a great help to you all as you prepare your youth groups/church's for summer camp 2024.

As Rick talked about previously, there is a Media Challenge poster enclosed in this mailing. Please use that to promote the media challenge as well as the dates and cost of the particular camp event you're attending this summer.

Additional promotional materials can be found on our website by going to www.camptablerock.com, then go under the "Camps & Events" tab, and select your camp event. On the first page, when you scroll down you will

Camp Registration

ASHLYNN MILLER

Understanding and communicating registration with the parents/guardians of your students is one of the most important things a youth pastor/leader needs to know. However, that can be challenging as we are constantly adapting our registration in hopes to make it better.

That's why we have added to this

find your group's highlight video from 2023. I find that the highlight video is one of the best ways to get your students excited about camp again!

Just under the highlight video is a promo slide that you can download and use as a presentation slide at church or at your youth group.

At the top of your camp event page are a few different slides with all kinds of information pertaining to camp, such as dates, cost, etc. One of the slides should say Camp Flyer 2024. Once you've clicked the download button you should have the option to then save it to your device or print some off!

We hope these various tools genuinely help you promote camp to your youth group. If you ever have any additional questions feel free to reach out, I'm happy to help.

mailing a paper explaining all the things you need to know for your specific groups registration needs.

If there are still any questions regarding registration, or any other camp questions, we'd be happy to answer them.
