

## **DRESS CODE**

The dress code is casual; shorts, shirts, sandals, and the like. LAKE & WATERSLIDE: We require girls wear one piece suits or modest tankinis that are not low cut, backless, strapless, one strap or show any midriff. Girls can wear shirts over unapproved swimsuits while at the lake provided the shirt is never taken off and is not transparent, especially when wet. UPDATE: we now require all females to wear shorts over their swimsuit bottoms. Board shorts, Soffe shorts, athletic shorts, etc., are acceptable. There is no minimum inseam requirement for lake shorts. Swim bottoms have become smaller and, in many cases, are no longer appropriate to be worn in mixed company. No guys speedos are allowed. Lake apparel must be completely covered when not at the lake or Waterslide. At no time should guys be shirtless other than at the lake or Waterslide. CAMP: Ladies cannot wear strapless, spaghetti strap, or low cut tops or dresses. Transparent shirts must have a full non-transparent shirt underneath. Shorts will be longer than 3 inch inseam. Ladies shirts must cover their entire midriff- no crop tops. Guys will wear shorts and pants high enough to cover their underwear. We do not allow apparel promoting crude, violent, or sexually explicit movies, TV shows, music artists, or the like. We will speak with you if rules are not followed. **We are implementing a new shorts rule. If CTR feels your shorts are inappropriate we will give you a pair of shorts.**

## **INSURANCE**

We have a four-tiered insurance structure at Camp Table Rock. The first tier is each individual's personal family insurance. The second tier is the individual's home church insurance or the church they're attending camp with. The third tier would be the district's/group's insurance, if attending as a district or group. The final tier is Fun in the Son Ministries' insurance which is intended as the final safety net only.

## **CELL PHONES**

We do not allow students to use their cell phones at camp. They are expected to keep them in their bag, turned off. We want students to leave the distractions of the world behind and be solely focused on the LORD while here. There is a camp phone they can use. The adults in each cabin will have their cell phone in case of emergencies.

## **LODGING**

Our air-conditioned cabins are divided by gender. Each cabin has bunk beds and full bathrooms.

## **MONEY**

All activities and meals are included in the price of camp! Bringing extra money for snacks or CTR souvenirs is totally optional! The Snak Shak offers CTR products like shirts, hoodies, sunglasses, water bottles, and more! It also has chips, candy, pop, ice cream, and other snacks.
